ASSISTANT MANAGER'S REPORT

NEW BUSINESS

Dedication Trees

Sheila reported that Dave said they are having some problems with pest issues which are most likely beetles.

Pertinent Issues**Playground issues at Lions Lake**

Sheila mentioned they have some old playground equipment where the posts are deteriorating. This equipment is approximately 20 to 25 years old. Dave was asking for some direction from the Board as to whether to replace it or try to repair it. She said Dave would like guidance as to what to request because he will be working on his preliminary budget in the near future. Discussion followed regarding the equipment. Sheila suggested they go look at the equipment and then come back with their suggestions. Discussion continued regarding the possibility of a grant to which Sheila replied there normally aren't any for existing parks.

Various issues

Sheila stated she didn't have anything further on the dam. She also mentioned she gave the Board a copy of the budget expenditures to date. She didn't believe the new ballfield was re-seeded yet. She thought possibly they were waiting for cooler weather.

She also mentioned the old merry-go-round which was previously discussed was still on the property. Although it has been dismantled, Dwayne mentioned that football will be starting soon and it may be dangerous for children.

Question was asked about the legal fees in the budget and that it was over budget with everything else being in line for the time of year.

OLD BUSINESS

There was no further old business.

MOTION: Motion was made and seconded to adjourn. Motion carried.

With there being no more business brought before the Parks and Recreation Board the meeting was adjourned at 7:17 P.M.

Respectfully submitted,

Barbara Bertin
